

KISII EYE HOSPITAL

February 2021 Newsletter

COMMUNITY REFERRAL SYSTEM

The Community Referral System program is a door to door eye screening initiative to identify cataracts and other eye conditions especially during this COVID- 19 pandemic era whereby we are unable to carry out our community outreach activities. We have piloted this program in Kisii County. Through this program, we have received patient referrals who have sought treatment at the hospital.

Mr. Douglas Onsongo in Gachuba Village carrying out Visual Acuity

Mr. Kimworor carrying out fundoscopy procedure to a patient at Gachuba Division, Nyamira County

Mr. Onsongo during the door to door eye screening in Gachuba Division, Nyamira county

CHRISTIAN BLINDEN MISSION [CBM]:

Mr. Chalton Ogweno an Independent Consultant contracted by Christian Blinden Mission [CBM] paid us a visit and assessed our hospital towards forging a possible partnership CBM. CBM is a Christian based Non - Governmental organization which aims at improving the quality of life of people with disabilities.
