

KISII EYE HOSPITAL

OCTOBER 2021 NEWSLETTER

As Kisii Eye Hospital with the lead of Prof. Dan Kiage we continue to strive unto reaching the underserved and sensitize the whole community about eliminating preventable and avoidable blindness.

In the month of October 2021, our major activity was World Sight Day which was commemorated on 14th October, 2021. We are happy to report other various activities that we carried out to grace the month:

WORLD SIGHT DAY:

Our utmost gratitude to our partners Fred Hollows Foundation and Kisii County Lions Club for the tremendous support towards the event. We managed to screen 625 patients, 114 cataracts and 66 spectacles were prescribed.
