EYE CAMP AT NDIWA CONSTITUENCY, HOMABAY COUNTY

Innovation Eye Centre – Kisii recently concluded a three-day eye camp in Ndiwa Constituency, Homabay County, bringing vital eye care services to the local community. The camp, held on the 22nd, 23rd, and 24th of August, was sponsored by Ndiwa Constituency Member of Parliament, Mr. Martin Owino. Its primary aim was to address the pressing need for eye health services in the region, particularly among underserved populations.

During the camp, a total of 1,400 patients were screened for various eye conditions. Among those screened, 53 individuals were diagnosed with cataracts, one of the leading causes of blindness.

KENYA MEDICAL PRACTITIONERS & DENTISTS COUNCIL ASSESSMENT

On August 27, 2024, officials from the Kenya Medical Practitioners and Dentists Council (KMPDC) conducted an assessment at Innovation Eye Centre-Kisumu. The evaluation aimed to review our facilities, practices, and adherence to medical standards. This visit underscores our commitment to maintaining high-quality eye care and regulatory compliance. We appreciate the KMPDC for their valuable feedback and continued support in ensuring excellence in healthcare services.

FOSTERING CROSS-BORDER EYE CARE COLLABORATION

Innovation Eye Centre - Kisumu was honored to host H.E. Amb. Joash Maangi, the High Commissioner of Uganda, for a special visit. During the meeting, Dr. Kiage and Amb. Maangi discussed the potential for Ugandan residents to benefit from the advanced technology and expertise available at our Kisumu facility. The conversation focused on exploring collaborative opportunities to enhance eye care services and share best practices between Kenya and Uganda.
