COLLABORATION WITH KITOBAKO SACCO

Innovation Eye Centre - Kisumu, in partnership with KITOBAKO Sacco, organized a successful free eye screening event for Boda Boda riders in Milimani Ward. The initiative aimed to promote eye health among motorcycle riders who often face challenges with vision, which can impact their safety on the roads.

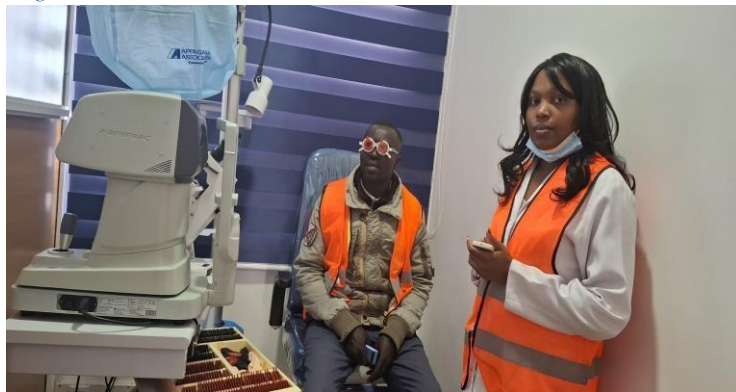

A total of 201 riders were screened, benefiting from comprehensive eye exams to detect potential vision issues. To mark the significance of the event, the riders participated in a procession within Kisumu's Central Business District (CBD), emphasizing the importance of regular eye checks for those in the transport sector.

ENHANCING LOW VISION CARE

Innovation Eye Centre recently hosted a distinguished team from the Kellogg Eye Center, University of Michigan, led by Dr. Sherry Day, Clinical Assistant Professor and Section Lead in Vision Care (Optometry). Accompanied by Dr. Helius Leung and technician Krystal Kao, the team delivered specialized training on low vision and visual rehabilitation.

The hands-on sessions equipped Innovation Eye Centre's optometry staff with essential skills in using low vision devices to enhance patient care for those with visual impairments.
