## **Innovation Eye Centre Hosts Eye Care Camps Across Kisii County**

Innovation Eye Centre – Kisii Eye Hospital organized a series of eye care camps across Kisii County as part of its mission to eliminate avoidable blindness. The outreach team screened over 700 patients, resulting in 350 successful cataract surgeries. These camps provided vital eye health services to underserved communities, enabling early detection and treatment of vision problems. The initiative also offered patient education on eye care and preventive measures, reflecting the hospital's commitment to accessible, affordable, and high-quality eye services. Through such outreach activities, Innovation Eye Centre continues to restore sight, promote eye health awareness, and transform lives by ensuring that no one suffers from preventable blindness.

## **Farewell and Best Wishes to Dr. Patrick Ruhagaze**

We extend our heartfelt appreciation to Dr. Patrick Ruhagaze as he leaves Kisii Eye Hospital to pursue new opportunities. Dr. Ruhagaze has been a dedicated and valued member of our team, contributing immensely to the delivery of quality eye care and the fulfillment of our mission to restore sight and improve lives.

As he embarks on the next chapter of his professional journey, we wish him continued success and fulfillment in all his future endeavors. His commitment, skill, and compassion will always be remembered and appreciated.

We say *thank you*, Dr. Ruhagaze, and wish you all the best in your future endeavors.
