## **Innovation Eye Centre Hosts Eye Camps in HomaBay and Kisumu Counties**

Innovation Eye Centre recently conducted two successful eye camps in Raruowa (Homa Bay County) and Kombewa (Kisumu County), bringing essential eye care services closer to underserved communities. The camps offered free eye screenings, treatment for common eye conditions, and referrals for further care, benefiting hundreds of patients. With support from local partners and community leaders, the outreach aimed to raise awareness about eye health and improve access to specialized care.
