## WORLD SIGHT DAY

### 2020

# Executive summary

The World Sight Day 2020 theme was “Hope in Sight”. The overall objective of WSD commemoration was towards sensitizing the theme “Hope in Sight” and creating awareness in eye health.

World Sight Day 2020 was commemorated on Thursday 8<sup>th</sup> October 2020 and 9<sup>th</sup> October 2020 from 08.00 am to 5.00 pm at Kisii Eye Hospital hospital premises.

The promotional strategies that were applied for the purpose of this day include; issues of consultation fee discount of Kshs. 200/- through issue of patient referral motivational cards. A banner was also placed at the Kisii capital roundabout creating awareness towards this day; for a period of four days. Social media promotion of this day was also conducted through Facebook and twitter. Last but not least, various patients were also interviewed and they gave testimonies on their healing.

The total number of Motivational cards issued for the two days were 86 [53, on 08.10.2020 and 33 on 09.10.2020] 38 male patients received the motivational cards while 48 female patients received the motivational cards. The new patients who received the motivational cards were 50; while review patients were 36.

OPD for 08.10.2020 was 47; new patients being 32 and review patients being 15. OPD for 09.10.2020 was 39; 19 being new patients and 20 patients being review patients.

15 patients were operated on during the commemoration of World Sight Day celebrations.
