Strengthening Partnerships to Advance Eye Health in Kenya

Innovation Eye Centre was honoured to host a distinguished delegation from the Ministry of Health Kenya as part of ongoing collaboration to strengthen eye health services and research in the country.

The visiting team included Dr Monical Bitok, Public Health Specialist, and Michael Gichangi, Head of the Eye Health Section (Ophthalmic Services Unit). They were accompanied by Sarah Karanja, Project Lead for the KEMRI EARN Trial Project, a study that Innovation Eye Centre is participating in.

Strengthening Eye Health Partnerships Through Collaboration

Innovation Eye Centre was delighted to host partners from the The Fred Hollows Foundation as part of our ongoing collaboration to strengthen eye care services in the region.

The visiting team included Mr Mwaniki, Lake Region Coordinator; Dr Damascene, COECSA Glaucoma Fellow; and Dr Tseke Asaminew, Regional Technical Advisor.

The visit focused on reviewing the progress made under the Memorandum of Understanding (MOU) between Innovation Eye Centre Hospital and the Foundation.
