Innovation Eye Centre Hosts Visa Oshwal Community Outreach in Kisumu

Patient registration in progress during the outreach.

In September 2026, Innovation Eye Centre – Kisumu Branch hosted an eye care outreach in partnership with the Visa Oshwal Community at the hospital facility.

A total of 56 patients were seen in the outpatient department (OPD), and six patients successfully underwent cataract surgery, restoring their sight.

We sincerely thank the Visa Oshwal Community for their generous support, and our dedicated team for making the outreach a success. Innovation Eye Centre remains committed to improving lives through affordable, quality eye care.

Fighting Avoidable Blindness: September Camps

September was a busy and rewarding month at Innovation Eye Centre. As part of our ongoing efforts to fight avoidable blindness, we carried out several outreach camps across our communities, and brought patients to the hospital for further treatment.

Thank you to our staff, partners and the communities who turned up and trusted us with their sight.
